- **Minor Pool** = 30% of total money wagered on Pick 6
- **Carryover Pool** = all money in the minor pool that is not won by a unique winning ticket
- The Pick 6 will have a minor pool and carryover with a unique winning ticket. The entire net Pick 6 pool and carryover, if any, shall be distributed to the holder of a unique winning ticket selecting the first place finisher in each of the selected six (6) contests

- Should a betting interest in any of the Pick 6 contests be scratched, the actual favorite, as evidenced by total amounts wagered in the win pool at the host association for the contest at the close of wagering on that contest, shall be substituted for the scratched betting interest for all purposes, including pool calculations.
- In the event that the win pool total for two or more favorites is identical, the substitute selection shall be the betting interest with the lowest program number
- The Pick 6 pool shall be cancelled and all Pick 6 wagers for the individual performance shall be refunded if at least three (3) contests included as part of the Pick 6 are cancelled or declared "no contest"
- Should the Pick 6 carryover be designated for distribution on a specified date and performance in which there are no wagers selecting the first place finisher in each of the Pick 6 contests, the entire pool shall be distributed as a single price pool to those whose selection finished first in the greatest number of Pick 6 contests.
