

Ohio Thoroughbred Race Fund 2023 Rules & Conditions

Eligibility:

To qualify for Ohio Thoroughbred Race Fund money in 2023, a horse must be registered under the Ohio Thoroughbred Race Fund Program.

Conditions:

1. All Ohio-funded stakes races must go if there are five or more separate betting interests. The Race Secretary shall request uncoupling for common betting interests. The Ohio State Racing Commission may, in its discretion, uncouple the common betting interests.

If an Ohio-funded stakes race draws four or fewer separate betting interests and the track elects not to permit wagering on this race, the race will be run as an exhibition and the purse will be dropped to Ohio Fund Money. Any Ohio-funded stakes race scheduled at one mile on the main dirt track will move to the next available longer distance if more than eight horses are entered.

All Ohio-funded stakes race nomination blanks will read as follows: A fee of \$50 each shall accompany the nomination. Entry fees shall be 1% of the State's share of the total purse, which shall be due at the time of entry. An additional fee of 0.65% of the gross purse will be required to start, which shall be due at noon, day of the race. Nominating and entry fees shall be returned to excluded horses.

All Ohio-funded stakes races will be funded as follows: 35% from the Ohio Thoroughbred Race Fund and 65% from the horsemen's purse fund.

2. No Ohio Thoroughbred Fund Stake will be split. All Ohio Thoroughbred Fund stakes that have more entries than the starting gate will hold will be drawn under the following guidelines:

- (B)** When an Ohio Thoroughbred Fund Stake has more entries than the starting gate will hold, there shall be sixteen horses drawn into a race on the dirt and fourteen for the turf. Nominating and entry fees will be returned to owners of excluded horses;
- (C)** Scratch time for all Ohio Thoroughbred Race Fund stakes shall be at the normal time of the track hosting the race;

Registered Ohio-breds shall be preferred in all races after any condition eligibility preference has been observed. If an Ohio-funded overnight race draws 14 or more entries, the race shall be split. The Ohio Thoroughbred Race Fund share of the purse may be split accordingly.

- Races for 3-year-old fillies and races for older mares have been scheduled as far apart as possible.
- Races have been distributed between racetracks to afford as much equity as possible based upon the number of racing dates and moneys generated for the program at each track. Every effort has been made to avoid having consecutive races at any one single racetrack.
