- A horse can have only one preference date. Preference dates are for any type or distance of race.
- No owner may start two (2) or more horses in a race to the exclusion of another owner's single entry. Husband and wife are considered one entity.
- Any person entering a horse is responsible for the correct preference date at time of entry.
- In Today horses shall have no consideration.
- A "0" Preference Date will be assigned to a horse whose foal papers are submitted to the racing office by 2:00 pm on Monday, October 21, 2019. Thereafter, an "E" date will be assigned when the foal papers are deposited with the racing office
- E-Date: This date will correspond to: (a) the date of which a horse's foal papers are submitted to the identifier, (b) the day on which a horse is first entered if his papers are not on file with the identifier. To qualify for the latter E-Date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a race that was not used, failed to fill or in the "date only" race.

- A horse scheduled to start in a race that is canceled, shall receive its previous preference date.
- The preference system does not apply to a stake or handicap. A horse excluded from such a race shall retain its previously assigned preference date. All starters in such a race shall receive an "R" date.
